Welcome to CostaRicaSite.net, Costa Rica's Information Portal.

Costa Rica is a small country but it's an extraordinary site to explore. Its beautiful nature, active volcanoes, paradise beaches and friendly people, offer the visitor a truly unique experience. Whether you are an adventure seeker, nature fan or a normal traveler, the country has something for you.

In this site you will find useful Costa Rica travel information, but not only that. You will find everything you need to know about Costa Rica: nature, history, culture, events, news, business, real estate, vacation tips, attractions, maps, pictures, food, art, general info, everyday living, and much more. My goal is to provide you with the Most Complete Guide about Costa Rica on the web.

I'm a costarican and I had worked almost 9 years on the web. I love my country and I always wanted to share this love with the world. This is my dream come true. Please enjoy it.
